## Why study French?

---

Studying French language will provide further opportunities in the job market, academia and translating industry. It has a broad use and it is highly sought skill in many jobs in the UK as well as abroad. French is appreciated and spoken in many Francophone countries in 5 continents abroad and understanding and applying it opens opportunities for travel, work and study and voluntary work.

Studying French will teach you skills to become better communicators; develop your academic understanding of grammar and vocabulary, immerse yourself in cultural and international understanding where you can open your horizons to a new world.

Studying French involves learning about culture, cinema or literature. Learning about a different life is immensely enjoyable and can provide so many opportunities in your future life both socially and academically and in terms of providing a clear path to exciting careers.

## What scheme of work do we follow in French?

---

We follow the AQA scheme of work.
